Welcome Aboard!

We're happy you're here.

7 in 10 Americans rank finances as their #1 stressor. Financial stress can be debilitating, both for those who have good financial habits and those who don't.

FinPath is here to change that.

With FinPath, our mission is to provide solutions that help empower individuals to go from **safety to freedom.** Since our founding, our calling is to promote personal financial success in three simple ways: certified Financial Coaches, education, and strategic solutions.

Our team strongly believes that the best approach to financial wellness is through continuous education and active engagement with Financial Coaches. Not only do they bridge the gap on complex topics, but they help individuals understand how significant each financial decision can be.

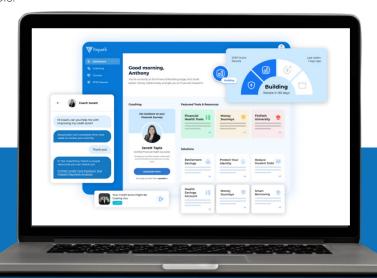

In this guide, you will find everything you need to make this program a success and entrust your staff toward financial well-being.

We look forward to the journey ahead.

About FinPath

FinPath is an employer-paid financial wellness program designed to help you take control of your money. If you've ever felt like you can do more with your dollar, FinPath can help with its trusted financial coaches and powerful online financial health tools.

Areas of Focus

Emergency Savings

From day one, we work hard to help individuals prepare for the next financial shock with a solid emergency savings strategy.

Budgeting & Spending

Financial success doesn't require a lot of money—it just requires a little extra planning. We help give each dollar a purpose.

Debt Management

Piling debt can make it hard to move forward. We help explore potential debt forgiveness options and create a plan to pay down debt.

Credit Score Improvement

Credit worthiness is crucial to financial success. We work to identify areas of opportunity to improve credit scores.

IJ Smart Borrowing

If faced with an emergency expense, payday loans and pulling from retirement savings is often the answer. We provide a better alternative.

Security & Protection

No plan is complete without protection. We help identify areas of need and encourage individuals to seek coverage.

Client Success

Learning more about what financial burdens and stressors your employees experience every day can help you make better decisions about the benefits that would help them the most. Together, we can identify new opportunities to improve financial wellness with the Client's Statute of Success. This is a combination of progress reports for your organization that will provide you pertinent information about adoption and progress of FinPath.

Statute of Success

- Quarterly meetings
- Email health
- User activity
- Reporting
- Aggregated financial coaching sessions results
- Participation rates
- Learning module activity
- List of most popular topics
- Health score trend analysis

Reporting will not only offer insight into employee behavior, but it will ensure that your organization achieves success out of the program.

Client Success Managers Support you can trust

To ensure long-term program success, each organization is assigned a Client Success Manager. The Client Success Manager's role is to be the intermediary between FinPath and your organization. They will pro-actively reach out with updates, campaigns, marketing collateral, and other efforts to promote program adoption as well as achieve your organization's desired outcomes.

Tech Requirements

There are a few tech requirements to ensure FinPath is running smoothly on your devices. This list was created for your technology team, and it contains all the information you need for Safelisting our communication channels. If your organization has any type of spam filter enforced, participants may not be able to receive their activation code to register their account, nor will they be able to receive any other communications or updates.

The information listed in the Eligibility specifications is there in order to make the user experience the best it can be. Providing this information ahead of time will not only create a better user experience for your employees, but it also gives our Financial Coaches the opportunity to help the users make better decisions on their personal finance goals. The Participation Reports will also use the demographic information gathered from this data file to segment your employees and understand the different needs of the niches within your organization.

The ongoing eligibility file should contain one record (one row) for each employee and one column for each required field. All eligible employees should be included on the Eligibility File. The required fields are on the left.

Naming preference: file type, date posted (ex. Eligibility file - 6.30.2018).

File Type: CSV

*All fields are required.

**If you have employees with identical payroll frequencies on separate schedules, we suggest adding a number after the letter (i.e. M1 for monthly employees paid on the first of the month, M2 for monthly employees paid on the 15th of the month).

Launch

Let's get the show on the road.

The most important element to a successful launch is buzz. Without buzz, your employees won't know about this great new benefit available to them. Because the most successful programs are the ones we are able to work with closely, we have developed a variety of content to support the launch of your program. We have also developed a launch timeline for you to track engagement, which is featured below.

Hello John,

We are excited to announce the launch of FinPath as a new workplace benefit. If you're stressed about money or just want to manage your financial life better, this new benefit is just for you—and it's completely free!

Here's what you can look forward to:

- 1:1 confidential meetings with Financial Wellness Coaches via phone, email, video chat, or any other way you prefer
- Live and on-demand courses on topics that matter most to you, such as preparing for a financial shock or tips for maximizing your paycheck
- Financial health tools to help you achieve goals, manage debt, get control of your spending, plan for emergencies – and more
- · Monthly opportunities to win prizes, including a \$1,000 gift card

Click below to accept your personal invitation:

Register Now

Note: this link is just for you. Please do not share.

Now you don't have to search the internet when you have a question about handling your money. All you need is right here in your FinPath account.

If you have any questions, please contact the FinPath Customer Service department at 833-777-6545 or simply reply to this email.

-The FinPath Team

A preview image of the Launch email

Launch Timeline

Email from Employer

· Email template provided

Pre-launch Email

• FinPath is coming soon

Launch Email

- · Review of key benefits
- · Instructions for registering/setting up account
- Personal URL included

Post-launch Email

- Sent 5-7 days after launch to employees who haven't responded yet
- Reminder to take advantage of FinPath

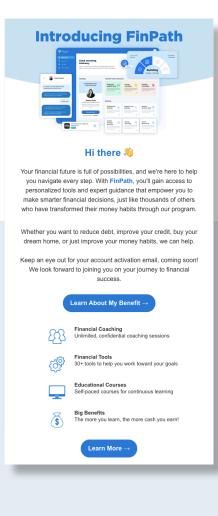

Town Hall Invitation

- Sent 2-4 weeks after launch
- Invitation to attend live online event Q&A and review of features and benefits

Post Launch

Taking the reins

With every FinPath registration, post launch materials will be provided. This includes a monthly newsletter and the monthly FinPath Journey flyer, as well as a host of engagement activities to keep communication steady.

Take Control of Your Financial Future During National Retirement Security Month!

Whether you're just starting out or have been saving for a while, we've prepared a new journey to give you the tools and knowledge to make smart financial choices at every stage of life, including:

- Tailored financial tips for every stage of life
- Powerful tools to maximize your retirement savings
- Investment fundamentals to grow your wealth

Complete the journey by October 15th for a chance to win a \$25 gift card!

Start Journey \rightarrow

Estimated Time: 5 Minutes

QUESTION OF THE MONTH

What's the difference between an IRA and a Roth IRA?

A traditional IRA allows you to save for retirement and pay taxes later when you take the money out in retirement. With a Roth IRA, you pay taxes on the money now, but when you retire, you can take it out tax-free —as long as you're over age 59% and had the account for 5+ years.

Roth IRAs also let you take out your contributions (the money you put in) at any time without penallies. If you withdraw the earnings early, though, you may face taxes and penallies unless you follow specific rules, like using the money to buy your first home.

Have more questions? Talk with a FinPath Financial Coach about IRAs and Retirement Planning!

Talk to a Coach –

Not ready to meet yet? Send them a question instead \rightarrow

Engagement Activities

Engaging in activities such as town hall meetings, workshops, and coaching campaigns is crucial for the success of your financial wellness program. These initiatives not only enhance employees' financial literacy but also demonstrate a tangible commitment to their overall well-being, fostering a more engaged and productive workforce.

Educational Workshops

Led by a Financial Coach, participants gain knowledge and learn actionable next steps on key financial topics.

In-Person Coaching

Meet in person one-onone with a Financial Coach at on-site locations.

Departmental Workshops

Share the benefits of FinPath during a department meeting. These range 30-45 minutes.

Town Hall Meetings

Get to know the FinPath Wellness benefit within the first 30 days via a Zoom meeting.

Open Enrollment

FinPath representative onsite during open enrollment events.

Professional Development

FinPath representatives provide financial education and highlight the benefit to employees.

New Hire Orientation

New employees can learn about FinPath from on-site support during New Hire Orientation.

Wellness and Benefit Fairs

Much like Professional Development days, we provide in-person help during employee fairs.

Registration Campaigns

Increase FinPath account registration and give employees the opportunity to win prizes.

Coaching Campaigns

Increase FinPath coaching sessions and give employees the opportunity to win prizes.

Financial Literacy Month

FinPath provides a variety of resources to improve financial wellbeing for employees every April.

Prizes included each week.

Specialized Support

Employees can get financial education around key life milestones, with the chance to earn prizes in return.

Disclaimer: Workshops that receive lower than 10 registrations will need to be rescheduled to a more convenient time.

Additional Engagement Activities

You care about the well-being of your employees; we wouldn't be here if you didn't. We want to ensure we are keeping your employees engaged in the program. It can be a diffcult job keeping track of who or who isn't engaged, so we created, improved, and *recreated* a number of different ideas for your employees to stay active in the program. This page will give you a variety of activities to choose from.
