

JANUARY 2026

Protection that Pays Off.

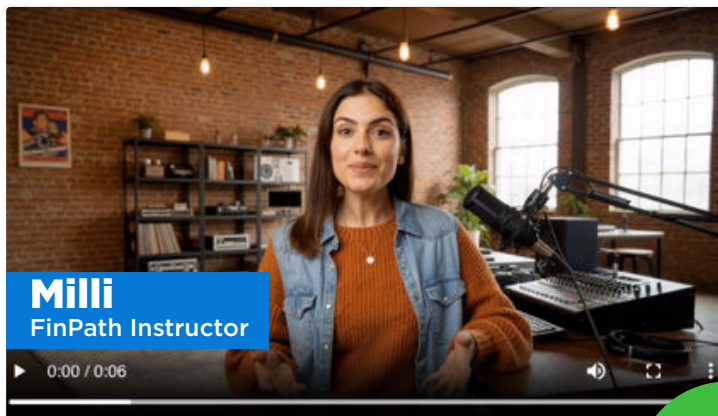

Protect your money, identity, and future! Learn how to avoid costly gaps in coverage, safeguard yourself from identity theft, and take proactive steps that turn uncertainty into confidence.

You'll learn:

- ✓ How insurance really protects your finances - and how to choose coverage that fits your life, not someone else's
- ✓ How to lock down your digital identity with practical tools that stop fraud before it starts
- ✓ How to compare different coverage options and policies

Coverage Without Confusion

Watch this expert explanation about why starting early is crucial and how to optimize your employer's retirement plan.

Key Takeaways:

- ✓ Balancing protection with affordability
- ✓ Protecting your assets
- ✓ Assessing your needs

Win \$25!

Welcome to the January Insurance Course!

Your path to a confident financial future starts here.

Protect what matters most, without breaking the bank. We're covering the importance of insurance and how it fits into your overall financial plan, essential coverage types, and how to calculate or compare your coverage.

What's Inside

- ✓ Personalized learning based on where you are today
- ✓ Quick videos with real-world guidance
- ✓ Calculate Your Coverage
- ✓ Options to Review Your Policies

LIVE WEBINAR

Planning for Life's "What ifs":

Smart Tips for Disability & Life Insurance

February 18th, 2026

Win
\$25!

Expecting the Unexpected.

Disability and life insurance are often dismissed as “just in case” benefits – until they become the difference between staying afloat and falling behind. Protect your income, your family, and your financial progress when life throws the unexpected curveballs your way.

Join us:

2/18 @ 11 AM CT

2/18 @ 3 PM CT

ALL REGISTRANTS WILL RECEIVE A RECORDING OF THE WEBINAR.
